

## *Bridgeport Men Who Were In The Armed Services Of Their Country During World War Two, As Of October 1945.*

(Source material: Decatur draftboard books; Navy books. Fort Worth; Church Rolls, Bridgeport; Mr. Lamon's and Mrs. Montrief's combined 1942 list; discharge lists appearing in Index; written ratings by relatives. In a list this size no doubt there are omissions and errors though every effort has been made to avoid them. An Asterisk \* in front of a man's name indicated that he was killed in action.
